

I write this email to you in support of the K-Love radio station (104.3 in Cincinnati, Ohio) remaining on the airwaves. K-Love serves me as a community resident by offering positive and uplifting music and message. I consider myself a non-denominational Christian and receive much pleasure from listening to K-LOVE's songs of worship. Truly, if this service is not considered a "public service", I'm not certain what exactly would qualify. Perhaps a descriptive example of my belief in this station will highlight its impact in my life. Currently I make 1,000.00 per month on my salary as a part-time instructor. Although times are a financial struggle (and boy, do I live frugally!), I still donate 20.00 of this monthly sum to K-LOVE to keep it on the air. Frankly, the prospect of an LPFM broadcaster providing other programming (with the end result of deleting K-LOVE from the air) disheartens me greatly. FCC! For crying out loud! This is a radio station that does so much good for my community. I play K-LOVE in the car with my 5-year old nephew and 12-year old niece. Do you know how comforting, how REASSURING it is to recognize that they won't be hearing any "shock jock" humor? Bottom line, FCC (and I submit this respectfully): Radio stations like K-LOVE NEED TO STAY ON THE AIR ACROSS THE COUNTRY. Please allow them the opportunity to do just this.
